## EXPERIENCE AND NON-PROFIT ACTIVITIES

### OLSCIENCE CIRCLES [[instagram.com/olscience.circles](https://www.instagram.com/olscience.circles)]

Hybrid, Astana

#### Head of the Math Branch

May - November 2023

- Led a comprehensive program with 10 mentors, 30+ lessons, 60+ hours of online teaching, and two offline Olympiad camps, impacting 60+ students in the CIS region.

### MAKERSPACE ASTANA MATH CLUB

Online

#### Organizer, Mentor

June - August 2022

- Collaborated with American Corner Astana to lead a 12-week program for 6-9 graders, mentoring 15 students in my group.
- Developed the entire curriculum, course materials, and homework assignments.

### SELF-EMPLOYED TUTOR

Hybrid

2019 - Now

- Tutored 20 students to higher grades in subjects such as Math, Physics, and Informatics.
- Helped pupils from state and specialized schools such as NSPM and Haileybury.

### BEYOND CURRICULUM [[www.bc-pf.org](http://www.bc-pf.org)]

Hybrid

#### Current Member

November 2023 - Now

- Member of org-com in 4 international-level contests:**
  - Astana/Almaty Physics Battles (APhB) 2023 & 2024 [[www.aphb.kz](http://www.aphb.kz)]
  - National Chemical Battles (NChB) 2024 [[www.nchb.kz](http://www.nchb.kz)]
  - Central Asian Bio Olympiad (CABO) 2024 [[www.cabo.kz](http://www.cabo.kz)]
- Organizational manager**
  - Managed procurement and setup of necessary materials and equipment.
  - Organized and prepared program content, schedules, and timing for the final stages of the contests.
  - Facilitated communication, handled inquiries, and provided guidance to over 1,000 participants, ensuring seamless coordination between them and the organizational committee for both online and offline stages.

### NSPM

Offline, Astana

#### Mentor, Volunteer

##### Fizmat Academy

June 2023

- Instructed more than 60 grade 6 students across four groups, delivering over 48 hours of lessons across 2 weeks.
- Covered essential mathematical and logical concepts required for NSPM, NIS, and BIL admission tests.

##### Mentorship Club

2022 - 2023

- Conducted 100+ hours of math and physics instruction for 20+ students from various schools.
